One game system – every genre – countless worlds – endless adventure

This has been a fun, busy and productive week. [The Rifter® #78](#) has been sent to the printer, and I have started my work on

[Rifts® Sovietski](#)

. Other than that, we have been pulling and signing stacks of books for

[Christmas Surprise Packages](#)

. The initial response to the offer has been fast and strong. It's nice to see so many people excited about it and ordering their Surprise Package right away. Among them are gamers living outside the USA who are wisely purchasing the Grab Bags to circumvent the high cost of shipping, as well as a number of new people. I always suggest people who have never gotten a Surprise Package to order one early, because often that person is so pleased with what he gets, he'll want to get another one or two before Christmas. We've already had one individual do just that, and he only received his first Surprise Package mid-week! Processing Surprise Packages is always a pleasure for us, because we love putting smiles on the faces of so many people around the world.

UPDATE: Christmas Surprise Packages now shipping

People are jumping on ordering their [Surprise Packages](#) this year. Awesome, we'll process and ship them out as fast as we can, so keep them coming and beat the holiday rush.

If we can help in a small way, please let us. This year the United States and many of our neighbors have experienced unprecedented disaster and loss. Hurricanes, tornadoes, floods, fire, and earthquakes have unleashed devastation upon millions of people. Many of these catastrophic events are recent, so for a lot of you who may have suffered through them firsthand, you are probably still dealing with more immediate and important matters of recovery than worrying about replacing game books. But if you are in that mindset, or to those of you who have gaming friends or family who have lost their beloved game books through such tragedy, please let me know in the comment section when you order a

Christmas Surprise Package,

include a big Wish List of

old book titles lost

, and I will try to load up that Surprise Package. And as always, we are happy to sign books or personalize them to a specific person (just be clear on who that person is). I know it's not much, but it is something. All of us at Palladium are glad to help you find a little joy as you try to rebuild and find your way back to normalcy. I'm pleased to remind people that the

Christmas Surprise Packages

are not just for Christmas. They are a fantastic way to replace parts of that damaged or destroyed collection and on the cheap. We are happy to bring a little gaming sunshine back in

someone's life. To those of you who have endured such emotional loss and continuing travails, please stay positive and hopeful, and know you are in our thoughts and prayers. We are a community. You are part of the Palladium family, so I'm happy to help in this smallest of ways if I can.

On a different front, please make sure **Rifts® for Savage Worlds** players know about the Christmas Surprise Package offer. Many of these gamers are new to the

Rifts®

world setting and don't know about all the World Books and source material available for

Rifts

®. And they certainly don't know anything about the

Surprise Package

offer. Please let your Savage Worlds Rifts® friends know about the Grab Bags so they can expand their knowledge and gaming experience across the Megaverse.

As always, the Surprise Package offer is an excellent way to introduce any gamer to the Palladium Megaverse®, replace battle worn books, try new worlds and build upon your collection. For the price of what most core rule books cost, you can get one Surprise Package (\$45 plus shipping and handling) with 3-6 different sourcebooks (depending on the value of each book). It's impossible to beat that kind of deal. And if you want autographs, we'll sign each book.

What is a Palladium Christmas Surprise Package? \$90-\$100 worth of Palladium Books products for only *\$45 plus shipping and handling.*

[Click here](#) to get all the details and enjoy.

To those of you outside the USA, the X-Mas Surprise package is a way to get books and circumvent the extremely high cost of shipping from the US. Since you are getting \$90-\$100 worth of product and only paying \$45 plus a small handling charge, shipping via *Priority Mail International*

(required for packages weighing more than four pounds) to most locations in Europe, Canada and many other countries should be around \$50-\$60 US dollars.

HOWEVER, because the cost of the product is so low, that's the equivalent of paying retail for the products and \$0-\$30 for shipping. A very good deal. Plus you get autographs if you want them! X-Mas Surprise Packages are the way to go for those of you outside the USA. Please take advantage of it to get all those products you've wished you could get except the shipping was too prohibitive. We feel your pain. Game on!

[Click here](#) to see the entire Surprise Package description.

Please tell others

Please spread the word about the **Christmas Surprise Package** offer to gamers everywhere. The [Christmas Surprise Package](#) is only publicized by word of mouth, to readers of **The Rifter®** and on

Palladium's website – www.palladiumbooks.com –

we count on you to help spread the word through social media and word of mouth. So thank you and please tell everyone you know. Buying early means you are guaranteed to get it before Christmas and if you love what get, it gives you time to scrape up the funds to order another. Heck, we inevitably get a dozen mad men who by 4-6, every season, but treat yourself to at least one.

Have a joyful holiday season

. Starting with Halloween! Bwahahaha ... um, I mean ho, ho, ho.

**The first Rifts®
Game Master Creative Competition**

Tournament – A Great Success!

The Rifts® RPG tournament coordinated by Megaversal Ambassador Cameron Cleveland and orchestrated by the Role Playing Games League (<https://www.facebook.com/RPGLeague/>) was a great success! We have heard very positive reviews of the games that were run, with lots of fun and smiles all around. Congratulations to the winners of the judged categories: Tim for Most Charismatic Player, Gabby for Most Diverse Player, James for Most Tactical Player, and Anthony, the Champion Game Master!

Didn't get to attend? Not to worry, Cameron and the RPGLeague are hard at work organizing and coordinating the next tournament - we'll let you know details as they become available.

LOSCON 44 – November 24-26 – Los Angeles, California

Speaking of effort, the RPGL has just secured a Large 2 Day Tabletop RPG Tournament Event, and with Cameron Cleveland's support, **Rifts®** will be the primary game setting for this event. For those who have never heard of it, LOSCON (<http://loscon.org/44/>

) is a Southern California science fiction and pop culture convention that has been going strong for over 40 years. Held every year over the Thanksgiving weekend, the con is at the LAX Marriott. This year, Cameron has arranged for there to be a large conference room full of Palladium RPG games.

Game Masters wanted for this event!

If you are available anytime November 24-26, will be in the Los Angeles area, and would like to run a game,

please contact

Cameron Cleveland at

Crassus668[at]hotmail.com, subject “tourney”.

The Necronomnomnom – A Lovecraft-Inspired Cookbook Kickstarter funds with 50 days to go

Thomas Roache and his company *Red Duke Games'*

[Necronomnomnom, A Lovecraft-Inspired Cookbook Kickstarter](#)

is a smash hit. It is already funded with 50 days to go, has appeared in

Food & Wine Magazine's

online edition and is just plain fun. Check out the Food & Wine article here:

<http://www.foodandwine.com/news/necronomnomnom-kickstarter>

The book's design is like that of an ancient tome with beautiful (and legible) script handwriting, dynamic artwork and diagrams, sepia pages, page after page of humor and spoof, and real, edible and delicious *food recipes*.

This is a very cool coffee table book that gamers and fans of horror and fantasy should adore. Definitely a very cool item to own and a great gift for the wonderful home cooks (and horror/Cthulhu fans) you know. I can think of at least three people who I might get this for as a gift.

Jason Richards' Kickstarter for 32mm Resin Miniatures – only 11 days left

Long time freelance writer and friend, *Jason Richards'*

Kickstarter campaign offering sets of *Alien Adventurers*

miniatures has already reached its initial funding goal, but there is more to unlock and enjoy. The renders of the alien miniatures are dynamic and detailed, and designed for use in a wide range of role-playing game worlds. These 32mm miniatures are suitable for use in most science fiction and super-hero settings, among others. Jason is running this as a *zero profit project*,

meaning that every penny received goes to the production of miniatures. He has even supplied the front-end development costs of the first three miniatures as part of his contribution to the project. You can check it out here:

Closing Thoughts

Some of us have already been enjoying the Halloween season for a few weeks now. Halloween is an especially big deal for Kathy

Simmons. Her massive Halloween display has been up and receiving visitors since October first. As Halloween approaches, more people show up every day. A lot of families and kids of all ages. It's nice to see Kathy all smiles and so happy, and wonderful to see her Halloween craftsmanship and cleverness (or is that fiendishness) bring joy to thousands of visitors.

That's about it for this week. Hot working on books and burning with ideas. **The Rifter® #79** and **Rifts® Sovietski** are next, followed by more. A lot more. So snag a [Surprise Package](#) to get in the gaming spirit while we get new product in your hands before Christmas.

Palladium Christmas

Surprise Packages start NOW!

Can you believe it? It's that time again for the [Palladium Christmas Surprise Package](#) ! Palladium Books® has been doing

Christmas Surprise Packages,

or “Grab Bags,” for 19 or 20 years. It enables you to get several RPG titles (\$90-\$100 worth for ONLY \$45 plus

shipping and handling) as gifts for others or for yourself. It is our way to say

thank you

to our many fans for being so kind and patient, and for your years of support. You are appreciated more than you may realize.

Christmas Surprise Packages are not just for Christmas. Whether you celebrate

*Christmas, Hanukkah,
Kwanzaa,*
or the
Winter Solstice
, or you're looking for a gift for a
*birthday, anniversary,
graduation,*
or any
special occasion
that falls between now and
February, a
Surprise Package
may be the ideal way to go.
You get a ton of stuff on the

cheap, you can get a bunch of autographs (if you want 'em), and you look like you spent a fortune.

This is also a great way to try that game setting you've wondered about (**Splicers®**, **Dead Reign®**, **Chaos Earth®**, **Palladium Fantasy®**, **Nightbane®**, **Mechanoid Invasion®**, etc.), or to get something for

your favorite Game Master, or perhaps to get your player group to consider a new game or setting.

Your “Wish List” is vital – *The Palladium Surprise Packages*

are designed to simulate the fun, joy and surprise of the Christmas Season of Giving. To do this, you submit a list of *10-15 Palladium products*

(or more)

FOR EACH

Surprise Package you order.

This list of 10-15 items for
EACH Grab Bag

is critical

, because you will not know
which items you'll be getting.

That makes it just like a

Christmas gift

because it's a surprise! Plus,
Santa Kevin, who personally
hand-picks every item for every
Grab Bag, may toss in
something extra like a limited

edition print, or maps, or T-shirt, or issue of The Rifter®, or something else he thinks you'll enjoy.

Autographed books. For those of you who want them (which are most people), available members of the Palladium staff, and any freelancers we can lasso at the time, are happy to autograph each and every book in your

Surprise Package. This is the only way many fans, especially those in other countries, can **EVER** get signed books.

Send us your brief comments. There is a special form and format to fill out for **Christmas Surprise Packages**, including a place where you can offer your *brief* comments, suggestions,

greetings and salutations.

It only costs \$45 plus shipping to get \$90-\$100+ worth of Palladium products! First-timers are always nervous until they see the great value in their first Surprise Package. A typical Grab Bag has \$90-\$95 worth of product, sometimes more! Yes, sometimes more. Many people order 2-3. Some order 4-6, and some maniacs

order even more! It makes sense, because it is a great way to fill holes in your own collection, treat yourself, get autographs, try new games and settings, and get your gaming pals gifts. **SPREAD THE WORD** about this great offer.

To those of you outside the USA, the X-Mas Surprise package is a way to get books and circumvent the extremely

high cost of shipping from the US. Since you are getting \$90-\$100 worth of product and only paying \$45 plus a small handling charge, shipping via *Priority Mail International* (required for packages weighing more than four pounds) to most locations in Europe, Canada and many other countries should be around *\$50-\$60 US dollars.*

HOWEVER, because the cost of the product is so low, that's

the equivalent of paying retail for the products and \$0-\$30 for shipping. A very good deal. Plus you get autographs if you want them! X-Mas Surprise Packages are the way to go for those of you outside the USA. Please take advantage of it to get all those products you've wished you could get except the shipping was too prohibitive. We feel your pain. Game on!

IMPORTANT NOTE: The X-Mas Surprise Package is a *Grab Bag*

. As such, while we always try to send you items from your Wish List you may NOT get everything you ask for and you are likely to get one or more items not on your list, like The Rifter, or other item(s) we think you should enjoy. PLEASE give us a long Wish List and fill out other questions (Favorite Palladium games, would like to try X, and so on). If you want

specific items guaranteed, do not use the Surprise Package, please place a regular order at full retail to guarantee you get the products you want.

Please tell everyone about the Christmas Surprise Packages. We want to put smiles on the faces of gamers around the world this holiday season.
